

Daniel Secomb Bio

Daniel Secomb is a sought after End Times key speaker and dynamic itinerant Bible teacher preaching across churches and conferences throughout Australia and the United States.

He is the Founding Director of **Israel, Islam and End Times** and **Culture War Resource**, two rapidly rising, influential ministries that are educating and engaging society on some of the most controversial and hotly debated topics of our time.

Israel, Islam and End Times informs and educates Christians on the prominent role that Islam will play, the centrality of Israel, and how world events and trends correlate with the trajectory of End Times events predicted in the Bible. The ministry has an aggregated news website, a YouTube channel with 2900 subscribers and Facebook page with 30,000 followers.

Culture War Resource explores topics that divide society including Leftism/ Marxism, the LGBT agenda, abortion, freedom of speech and religious liberty. Posing thought-provoking culture war questions to the mainstream and the church, this ministry features a popular aggregated website featuring prominent culture war figures from Australia and the United States as its contributors.

Daniel is also behind the website **Hear Our Testimonies**, which features video testimonies of people's lives changed through the gospel and **Li Maza Yasoo** (Arabic: "Why Jesus?"), which is a website in Arabic that reaches Muslims from Arabic-speaking countries with the gospel of Jesus Christ.

Daniel is also a weekly guest on US-based Christian radio network OmegaRadio.org and is occasionally a guest on AM/FM Kurm Radio (AR, US) and Red State Radio (Nationwide, US).

He holds the role of Assistant National Coordinator of the Lausanne Consultation on Jewish Evangelism (LCJE) for Australasia.

Having studied Biblical Hebrew for six years with high distinction results in Advanced Biblical Hebrew as part of his B.Th degree with Emmaus Bible College and Sydney College of Divinity, Daniel has a deep understanding of the Old Testament in its original language and context that has become a unique dimension and hallmark of his ministry.

With a passion to stir people's hearts to Jesus through the wonder of the scriptures and how they apply to life, Daniel is known for igniting a fire in the hearts of believers to read and study the Word afresh.

Daniel lives on the Central Coast of NSW, Australia with his wife Tammy and their three children.

“I’ve known Daniel Secomb here in Australia for many years, and his enthusiasm both for Israel and the God of Israel is recognizable and contagious. He has a love for the Scriptures and the people of the Book. Some Christians forget that loving God’s people includes sharing His message of salvation in Messiah Yeshua. Daniel is not one of those forgetful ones. As a co-convenor for LCJE, he commends and exudes evangelism as well. You will be blessed if you invite him to share his insights and Christian experience.”
