

Daniel Secomb Bio

Daniel Secomb is a sought-after End Times speaker and dynamic itinerant Bible teacher ministering at various churches and conferences throughout Australia and the United States.

He is the Founding Director of **Israel, Islam and End Times** and **Culture War Resource**, two rapidly rising, influential ministries that are educating and engaging society on some of the most hotly debated topics of our time.

Israel, Islam and End Times informs and educates Christians on the prominent role that Islam will play, the centrality of Israel, and how world events and trends correlate with the trajectory of End Times events predicted in the Bible. The ministry has an aggregated news website, a YouTube channel with 4500 subscribers and Facebook page with 32,000 followers.

Culture War Resource explores cultural hot topics including Leftism/Marxism, the LGBT agenda, abortion, freedom of speech and religious liberty. Posing thought-provoking culture war questions to the mainstream and the church, this ministry features an aggregated website featuring prominent culture war figures from Australia and the U.S. as its contributors.

Daniel is also behind the **“Why Jesus? Project”** which produces evangelistic websites with the goal of reaching Muslims from different backgrounds with the Gospel of Jesus Christ. It started with **Li Maza Yasoo** (Arabic for “Why Jesus?”), which reaches Arabic-speaking Muslims, then **Kenapa Yesus** for Indonesian-speaking Muslims, and is now currently working on **Chera Isa** (Farsi for “Why Jesus?”) which reaches out to Farsi-speaking (Shia) Muslims.

Daniel has appeared on the **Prophecy In The News** TV program in the United States and has written a number of articles for their magazine. He is also a weekly guest on US-based Christian radio network OmegaRadio.org and is occasionally a guest on AM/FM Kurm Radio (AR, US).

He holds the role of Assistant National Coordinator of the Lausanne Consultation on Jewish Evangelism (LCJE) for Australasia.

Having studied Biblical Hebrew for six years with high distinction results in Advanced Biblical Hebrew as part of his B.Th degree with Emmaus Bible College and Sydney College of Divinity, Daniel has a deep understanding of the Old Testament in its original language and context that has become a unique dimension and hallmark of his ministry.

With a passion to stir people’s hearts to Jesus through the wonder of the scriptures and how they apply to life, Daniel is known for igniting a fire in the hearts of believers to read and study the Word afresh.

Daniel lives on the Central Coast of NSW, Australia with his wife Tammy and their three children.

“Daniel Secomb has a message that all believers need to hear. He has a keen understanding of what God is doing on a global scale. His challenge to the Body of Christ to preach and practice God’s Word in these last days is right on target.”

Pastor David O. Dykes

Senior Pastor, Green Acres Baptist Church
Tyler, TX

“Daniel Secomb is a rare voice of clarity in today’s world. He was one of the stand out speakers at our Nashville conference and did an amazing job addressing the geopolitics of the last days. I highly recommend him and his ministry to help make sense of the last days.”

Becky Wangner

Coordinator of the “Understanding The Times” Conference at Nashville, TN - March 2018

“Mr. Secomb is an articulate communicator and an accomplished historian and theologian who has the ability to insightfully connect current events to his areas of expertise. Last year, I had the privilege of him speaking to my senior U.S. History class at The Brook Hill School, a private college preparatory school in Bullard, Texas. He held the attention of my students - which is not an easy thing to do - for a full hour and they could have listened much longer.

If you have an opportunity to engage with Mr. Secomb, I would encourage you to do so. You will be enlightened and challenged. Do not hesitate to contact me if you should have any questions.”

Stephen Dement

Principal, The Brook Hill School
Bullard, TX

“We were privileged to have Daniel Secomb speak at Grace Point Church this past October and our congregation was truly blessed and encouraged by Daniels teaching and knowledge of the Word and the End Times. I would encourage anyone to book Daniel to speak at your church or conference.”

Pastor Mark & Julie Trammel

Senior Pastors, Grace Point Church
Tyler, TX

“I’ve known Daniel Secomb here in Australia for many years, and his enthusiasm both for Israel and the God of Israel is recognizable and contagious. He has a love for the Scriptures and the people of the Book. Some Christians forget that loving God’s people includes sharing His message of salvation in Messiah Yeshua. Daniel is not one of those forgetful ones.

As a co-convenor for LCJE, he commends and exudes evangelism as well. You will be blessed if you invite him to share his insights and Christian experience.”

Bob Mendelsohn

Regional Director, Jews for Jesus AustralAsia (covering Singapore, Australia, New Zealand)

“We highly appreciated Daniel’s preaching. He has a great way of weaving together the significance of what’s going on in today’s world — and he does so in a refreshingly, down-to-earth way with a great Australian sense of humor!”

Pastor Derek Frank

Senior Pastor, Woodmont Bible Church
Nashville, TN

“We have had the pleasure of hosting Daniel as a visiting speaker at our annual Feast of Tabernacles conference in North-West Arkansas last year and in 2017. On both occasions he demonstrated a godly character and a profound ability to impart revelation and understanding concerning the times that we are now living in.

Daniel joins me on Omega Radio every Wednesday as a co-host and have received brilliant feedback concerning his knowledge, content and character.”

Pastor Vincent Xavier

Founder, Omega Radio Network | Senior Pastor, New Wine Ministry
Decatur, AR

“Daniel Secomb gave us all at Iron Faith Fellowship a refreshing and informative End Time view of world events politically and biblically. It was an absolute pleasure having him.”
